

## The beauty is in the details.

With Deck Lok™, you'll discover that it's the smallest details that help make your outdoor space extraordinary. Among them: the random, variegated, wood-like texture, a non-slip surface, and pure vinyl that won't discolor.

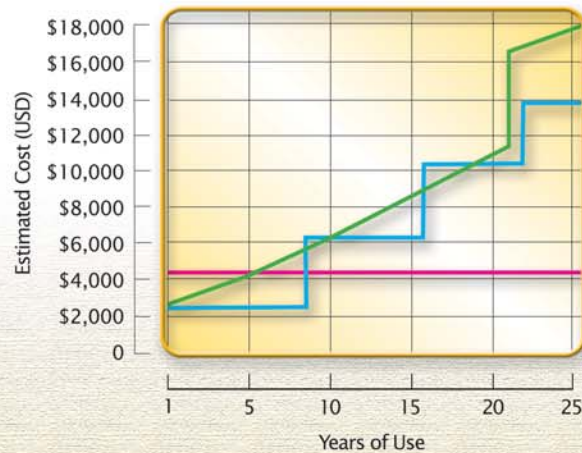

## The perfect finishing touch.

Our wide selection of durable, care-free maintenance railings and columns will beautifully complement your space.

## The real value of Deck Lok™.

Save time and money through the years

- Wood Deck — No Maintenance  
(Requires replacement about every seven years.)
- Wood Deck — Well Maintained  
(Washed and sealed every year; replacement about every 20 years.)
- Deck Lok — No major maintenance or replacement required!

*For illustrative purposes only. Detailed data on file.*

Relax and enjoy your corner of the great outdoors. With our all-vinyl construction, there's no staining, painting or sealing needed to prevent weathering. Instead, you'll relish the unending beauty of a deck that won't split or splinter as the years roll by.
